Hello!

I would like to welcome you to the 2025 Maple Syrup Festival Grand Parade. This is my second year as your chairperson and I hope the success of last year's parade will encourage you to plan an entry for this year's parade.

I have had many years of experience as an organizer of community events though my job as the Director of the Vermontville Township Library and as a leader for Girl Scouts and our local 4-H club. I hope my experience in these areas will give you confidence that I will do my best to organize and help you present an outstanding parade for our community and the visitors who come to Vermontville expecting a unique Festival experience.

The date for the 2025 Grand Parade Will be Saturday, April 26, 2025. The parade will begin promptly at 3 PM. Please read the Grand Parade Rules and Regulations carefully. These rules will be enforced. If you would like to enter your float in the float decorating competition, please indicate this on your entry form.

If you have any questions, please do not hesitate to contact me with the information above. Please return your application form by **March 31, 2025** to reserve your place in the 2025 Grand Parade. You may also find the form on the Vermontville Maple Syrup Association website at www.syrupfest.org.

Grand Parade Rules and Regulations

Line Up

1. The parade line-up area is on North Ionia Road between Vermontville and Gresham Highway.
2. All parade units must be in the parade line up area by 1 PM. Large units should approach the line up area from the north. This can be accomplished by coming in on Ionia Road from the north by way of Gresham Hwy (hard gravel), Kelly Road, Mt Hope Hwy, St. Joe Hwy, M50 or M43. Buses and vans, horse trailers and large vehicles may be parked on Gresham Hwy during the parade. Other vehicles can be parked in the areas around Spring Street at the end of the parade route. There may be a charge for parking in a manned lot. This fee is your responsibility.
3. Horses will be positioned in the middle of the parade to allow them time to return to their trailers before the road is reopened to traffic.
4. When you arrive, please park your entry at your designated spot and then register with the parade staff at the beginning of the parade route. There will be parade staff available to assist you. You will be given a number to attach to the left side of your unit. This let's the announcer know who you are.
5. There will be a float decorating contest. Prizes will be awarded for the top three entries. Judging will begin at 2 PM. Winners will be notified before the parade begins. Please indicate on your form if you wish to participate in the float contest.
6. Port-a-johns will be available at the parade line up area. April weather is unpredictable and the wait for the parade start time will seem long. Please be prepared with jackets, sunblock, water and snacks.

Parade Route Rules

1. Floats should not exceed 11 feet in height.
2. **Every entry must finish the parade route and floats should be constructed to withstand the entire route. THE PARADE ENDS AT THE INTERSECTION OF THIRD STREET AND ELM STREET. 3. Please refrain from honking or horn blowing when approaching and in front of the grandstand area.
